

Traveling to Disneyland, Knott's Berry Farm, Magic Mountain and Universal Studios does not mean you have to go over the mountains and through the heavy traffic of San Diego.

Take I-8 West, take the 111 all the way to Indio, or take the 111 to 86 and again head for Indio, then take the I-10 to wherever you wish to go. The 86 is a faster route. Both routes take you around the Salton Sea which back in the early 80's was the most visited area in S. California before the waters got polluted by runoff.
